THE GENERAL CONFERENCE MENNONITE CHURCH

ADDITIONS, CHANGES, AND CORRECTIONS FOR THE 1954 HANDBOOK OF INFORMATION

August 15, 1954

This is a supplement to the General Conference Handbook of Information for 1954. It contains some features that should have been printed in the Handbook proper. A number of changes have occurred since the Handbook was printed and we are listing them also, as well as correcting errors that appear in the book.

Insert this supplement in your copy of the Handbook and when you consult it for information also check this supplement.

We are planning for the early printing of the 1955 Handbook. In order to accomplish this, and keep errors and omission at a minimum, we will need the cooperation of churches and pastors. The questionnaires that supply the necessary information for the Handbook will be sent out as usual, but we urge prompt attention.

The cost is underwritten by the Conference, with churches, groups, and some individuals in the Kansas area sponsoring most of the programs; also gifts are sent in by listeners. FOREWORD

We take pleasure in presenting the information contained in this 1954 edition of the Yearbook. The general arrangement follows much along the lines of the last issue although we are constantly trying to improve it in order to make it more practical and useful. We appreciate your suggestions which have come to us from time to time and we have tried to incorporate them as far as possible.

Again we wish to thank you for your kind cooperation, for it is very evident that it would be impossible to publish a booklet like this without the information which comes from scores of different sources. Although we cannot expect this publication to be entirely free from errors, we trust that you will find the information accurate for practical purposes and that it will be found useful to many of you who must look to this annual publication for the special information which you need in your work.

As you read and examine this issue, will you again kindly report any errors or omissions you find in it and submit suggestions for subsequent issues which would improve its arrangement and enhance its usefulness.

THE CENTRAL OFFICES AT NEWTON, KANSAS

The large building at 722 Main, Newton, houses the various offices of the General Conference. The executive secretaries of the following Boards each have their private offices for consultation, interviews, and the regular routine work connected with the field of service of their respective Boards. In addition to this the manager of the Publication Office, the administrative secretary or assistant to the general secretary of the Board of Missions, the assistant treasurer, and the secretary-treasurer of the Women's Missionary Association each have an office. In the large open area there are also desks

for the receptionist and the transcribing secretaries.

These headquarters of the General Conference may aptly be defined as the nerve center of the Conference at which the directives are received from the various Boards, analyzed, coordinated and implemented by the executive secretaries, transcribed and re-directed to the fields of service in all parts of the world and translated into actual kingdom service for our Lord and Master for the salvation of souls and the building of His kingdom.

THE BOARD OF MISSIONS

This board is charged with all the responsibilities of the Conference in the areas of missions and evangelism at home and abroad. The work and responsibilities of this board are assigned to the various sections and committees as follows:

1. *The Section on Foreign Missions*, which calls, sends out, and supervises the work of missions and of missionaries in foreign mission fields.
2. *The Section on Home Missions*, which calls, sends out, and supervises the work of missions and of missionaries in home mission fields.
3. *The Committee on Church Unity* promotes unity among member churches of the Conference and among branches of Menonites around the world. It also receives

the applications from congregations and conferences for admission into Conference membership.

4. *The Committee on Evangelism* promotes interest in and training for an effective Gospel witness in our churches and mission points at home and abroad.
5. *The Committee on Mission Personnel* promotes interest in and training for full-time Christian service in mission fields at home and abroad.
6. *The Committee on the Ministry* is responsible for promoting a program of recruiting for the ministry, for ministers' scholarships, for counseling in regard to training, for arranging retreats for ministers, and for providing an effective program of placement of ministers.

THE BOARD OF CHRISTIAN SERVICE

The Board of Christian Service came into being through the re-organization plan of the new constitution of our General Conference. Under the broad supervision of this board now is combined the work of the former Peace Committee, the Emergency Relief Board, and the Board of Mutual Aid. These three groups, whose separate responsibilities under the old constitution had touched at many points, are now linked together in such a manner that easy clear-ance of problems, coordination of responsibility, and cooperation in work is readily possible. Through this board, also, General Conference cooperation in the total Men-

onite Central Committee program is carried on.

In order to perform its work efficiently the board has divided its duties among three committees: the Committee on Hospitals and Relief, on Peace and Voluntary Service, and on Mutual Aid. Financial contributions may be sent to the Conference headquarters preferably designated for the Board of Christian Service with the understanding that they will be properly budgeted. They may, however, be designated specifically for the Committee on Hospitals and Relief, for Mutual Aid, or for Peace and Voluntary Service.

THE BOARD OF EDUCATION AND PUBLICATION

EDITORIAL COMMITTEE

1. To prepare materials for the S. School.
2. To prepare materials for other departments.
3. To integrate the total curriculum for our churches.
4. To supervise the editorial work in relation to our periodicals.
5. To review manuscripts for new and helpful booklets.

PUBLISHING COMMITTEE

1. Business Committee of the Board. Makes financial arrangements for the publishing of all our quarterlies and periodicals.
2. Responsible for the operation of the Publication Office and our three bookstores: at Newton, Berne, and Rosthern.

EDUCATIONAL INSTITUTIONS COMMITTEE

1. To coordinate the work of General Conference educational institutions.
2. To assist in presenting their work to the Conference.
3. To interpret the needs of the church to the schools.

VISUAL AIDS COMMITTEE

1. Survey the needs for audio-visual education.
2. To aid in the distribution of visual materials.
3. To coordinate the visual aids program among our conference boards.

HISTORICAL COMMITTEE

1. To collect, preserve, and make available materials of historical and cultural value to Mennonites.
2. To help preserve significant historical places, e.g. Germantown Church at Philadelphia.

CHURCH, HOME, AND COMMUNITY SERVICE

1. To promote Christian education in home, church and community.
2. To prepare Christian education materials for children, e.g. Junior C. E. and Mid-Week.
3. To supervise youth work in the conference.
4. To promote leadership training and retreats.
5. To promote education in Mennonite principles.

THE BOARD OF TRUSTEES AND FINANCE

This board is responsible for the business administration of the Conference, its properties, funds, and investments, and for the building and promotion of the Conference budget. The work of this board is divided up as follows:

1. *The Conference Trustees.* These are the legal representatives of the Conference; they are authorized to execute all legal documents for the Conference, and are the custodians of all Conference properties, permanent funds, etc.
2. *The Finance Committee.* This committee is to submit and promote the annual budget; is responsible for the general treasury of the Conference, for the headquarters office, etc.
3. *The Committee on Pensions.* This committee supervises the Conference Pensions-and-aid system.

THE BUDGET FOR 1954
